### **3D IC Technology**

Through Silicon Vias (TSV), wafer thinning, wafer alignment, wafer bonding, wafer dicing, 3D IC process, monolithic 3D integration, heterogeneous 3D integration, Capacitive coupling, Inductive coupling, multilevel epitaxial growth etc.

### **3D IC Circuits Technology**

3D SOC, 3D Memory, 3D Processor, 3D DSP, 3D FPGA, 3D RF and microwave/millimeter wave, 3D analog circuits, 3D Biomedical circuits etc.

### **3D Applications**

Imaging, memory, processors, communications, networking, wireless, biomedical etc.

### **3D Design Methodology**

3D CAD, 3D synthesis, 3D design flows, Signal and power integrity analysis and design in 3D, 3D thermal design and analysis, test and design for test; 3D mechanical stress and reliability design and analysis etc.

The exhibit area promotes interaction and discussion among 3D researchers from all around the world – experts interested in materials, equipment, design, assembly, and test. If you are a vendor, foundry, or OSAT involved in 2.5/3D, this is a prime opportunity to make valuable contacts. Your customers and competition will be here – we certainly hope you will join us as well!

With our best regards,

# Terms and Conditions

This application, properly executed by Applicant (Exhibitor), shall, upon written acceptance and notification of booths assigned by 3DIC 2016 management, constitute a valid and binding contract.

## Space Assignments

Assignment of space to Exhibitors is made on a first come/first served basis.

3DIC 2016 will continue to receive applications and assign exhibit space, as it remains available, until shortly before the show's opening date. In all cases, total booth payments must be received prior to show opening. 3DIC 2016's assignment of booths is final and shall constitute an acceptance of the Exhibitor's offer to occupy space. After assignment, space location may not be changed, transferred, or cancelled by the Exhibitor except upon written request and with the subsequent written approval of 3DIC 2016 management. 3DIC 2016 management reserves the right to reassign Exhibitors' space and/or to modify floor plan for overall benefit of the show.

## Subletting Space

No Exhibitor will assign, sublet, or apportion the whole or any part of the space allotted to him, nor exhibit therein, nor permit any other person or party to exhibit therein, any goods, apparatus, etc. not manufactured or distributed by the Exhibitor in the regular course of his business except upon prior written consent of 3DIC 2016 Management.

## Exhibit Space Rental Fee

Exhibit space rental includes materials and services described herein.

Price per Booth: Basic booth price of \$1,000 includes a 6-foot skirted table with two chairs.

## Payment Requirements and Cancellation Charges

Applications require 100% payment before final booth assignment is confirmed in writing. All cancellations must be made in writing. Refunds will be based on the following schedule:

On or before Oct 1, 2016, 90% of total booth cost will be refunded. After Oct 1 2016 no refunds will be permitted. "No-show" Exhibitors will not receive a refund. Space reductions are considered cancellations and are subject to cancellation fees. It is understood that 3DIC 2016 reserves the right, at its option, to reassign a cancelled booth regardless of the cancellation rate assessed.

In the event that the venue in which the 3DIC 2016 show is conducted shall become, in the sole discretion of 3DIC 2016, unfit for occupancy, or substantially interfered with by reason of any cause or causes not reasonably within the control of 3DIC 2016, this agreement may be terminated by 3DIC 2016. For this purpose, the term "cause or causes" shall include, but not by way of limitation: fire; flood; epidemic; earthquake; explosion or accident; blockage; embargo; inclement weather; governmental restraints; restraints or orders of civil defense or military authorities; act of public enemy; riot or civil disturbance; strike, lockout, boycott, or other labor disturbance; inability to secure sufficient labor, technical, or other personnel; failure, impairment, or lack of adequate transportation facilities; inability to obtain or condemnation, requisition, or commandeering of necessary supplies or equipment; local, state, or federal law, ordinance, rule, order, decree, or regulation, whether legislative, executive, judicial, or constitutional; or act of God. Should

3DIC 2016 terminate this agreement pursuant to the provision of this paragraph the Exhibitor waives any and all claims for damages and agrees that 3DIC 2016 may, after computing the total amount of 3DIC 2016 cost and expenses in connection with its preparation for and conducting of the 3DIC 2016 show (including a reasonable reserve for claims and other contingencies), refund to the Exhibitor, as and for complete settlement and discharge of all said Exhibitor's claims and demands, an amount which bears the same relationship to the fee paid by said Exhibitor as the total refundable amount as computed above bears to the total amount of fees paid by all Exhibitors.

## Exhibit Booth Management and Dismantling Schedule

A representative must man exhibit space during all times when exhibition is officially open. Exhibit space must be maintained in a neat and orderly manner throughout the exhibition. Exhibitors may begin dismantling only after 1 pm on Friday, November 11. Move-out must be completed by 6 pm on Friday, November 11. Exhibitors are responsible for removal of all materials used in their display. Any Exhibitor leaving materials after 6 pm on Friday, November 11, will be charged for the materials' removal. Failure to observe this rule, including early dismantling, will result in a \$1,000 fine and may jeopardize the Exhibitor's space assignments or right to exhibit at future conferences sponsored by IEEE/3DIC.

## Loss or Damage

Exhibitor agrees with 3DIC 2016 that 3DIC 2016 shall not be liable for any damage or liability of any kind or for any loss, damage, or injury to persons or property during the term of this agreement, from any cause whatsoever by reason of use, occupation, and enjoyment of exhibit space by Exhibitor any person thereof with the consent of Exhibitor, and that Exhibitor will defend, indemnify, and save harmless 3DIC 2016 from all liability whatsoever on account of any such damage or injury, whether or not caused by negligence or breach of obligation by Exhibitor or its employees or representatives. Exhibitor will be liable for all damages or liability of any kind or for any loss, damage, or injury to persons or property during the show from any cause whatsoever by reason of use, occupation, and enjoyment of exhibit space.

## Demonstrations

No demonstrations or solicitations shall be permitted outside of the Exhibitor's assigned space, and no signs or placards may be displayed on persons or otherwise outside exhibit spaces.

## Compliance

The Exhibitor assumes all responsibility for compliance with all pertinent ordinances, regulations, and codes of duly authorized local and governmental bodies concerning fire, safety, and health, together with the rules and regulations of the operators and/or owners of the property wherein the show is held.

## Management

The Exhibitor further agrees that the conditions, rules, and regulations of the 3DIC 2016 management are made a part of this contract and that said Exhibitor agrees to be bound by each and all of these rules and regulations, and that the management shall have the full power to interpret, amend, and enforce all rules and regulations in the best interest of the show.
